Patent No. 7,091,634

Yi et al.

Issue Date: August 15, 2006

Application No. 10/608,123

Filed: June 30, 2003

Atty Docket No. T3465-908318

DECISION ON PETITION

This is a decision on the PETITION TO ACCEPT UNINTENTIONALLY DELAYED PAYMENT OF MAINTENANCE FEE IN AN EXPIRED PATENT (37 CFR 1.378(c)) filed October 20, 2010 to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent. This petition was signed by the CEO of the assignee of record of the entire interest. Accompanying the petition was a 3.73(b) statement which set forth the ownership interest, but was signed by attorney Schaffer. Nonetheless, given the title of the signer of the petition, it is presumed that CEO Yi has the authority to act on behalf of the assignee.

The petition is GRANTED.

The patent issued August 15, 2006. The grace period for paying the $3-\frac{1}{2}$ year maintenance fee provided in 37 CFR 1.362(e) expired at midnight on August 15, 2010, with no payment received.

The petition was timely filed within twenty-four months after the expiration of the six-month grace period. Further, as required, petitioner submitted with the petition the required maintenance fee, the surcharge for accepting an unintentionally delayed maintenance fee after expiration, and a statement that the delay in payment of the maintenance fee was unintentional. These fees were accepted at the reduced small entity rate, as

the fees were accompanied by petitioner's assertion of having made a determination of continued entitlement to pay small entity fees, pursuant to new 37 CFR 1.27(g)(1), effective September 8, 2000.

Accordingly, the maintenance fee in this case is hereby accepted and the above-identified patent is hereby reinstated as of the mail date of this decision.

Telephone inquiries related to this decision may be directed to the undersigned at (571) 272-3219.
